

## Startek Philippines Earns Prestigious Awards for Workplace Excellence and Diversity Initiatives

September 5, 2023 at 8:00 AM EDT

MANILA, Philippines--(BUSINESS WIRE)--Sep. 5, 2023-- Startek® (NYSE: SRT), a global customer experience (CX) solutions provider, clinched victory by securing the HR Asia Best Companies to Work for in Asia 2023 – Philippines region award for the fourth consecutive year in addition to being recognized with the HR Asia Diversity, Equity & Inclusion Award 2023. The two prestigious awards underscore the company's commitment to fostering an exceptional work environment that promotes diversity and inclusion.

In its sixth year, the 2023 HR Asia Best Companies to Work for in Asia Philippines program recognized 50 outstanding organizations that excel in creating exemplary work environments for their people. This year's theme is "Celebrate Diversity, Equity and Inclusion." HR Asia has taken a significant step forward in recognizing and promoting workplaces that foster diversity, equity and inclusion by placing these values at the forefront of the selection process.

"We are thrilled to be recognized among the Best Companies to Work for in Asia for the fourth year in a row," said S. M. Gupta, Global Chief People Office, Startek. "This achievement reflects our unyielding commitment to our associates. We take immense pride in our workplace culture that fosters growth, collaboration and a sense of belonging. This recognition inspires us to continue building a workplace that celebrates differences and provides equal opportunities for all, a commitment that is embodied in the Startek values."

Being recognized by HR Asia affirms the Startek commitment to the organization's associates' well-being and development. Company-wide initiatives prioritize creating an inclusive environment where team members can thrive and grow. Startek aims to effectively combine people, technology and data to deliver customer experience excellence for leading brands. By fostering a welcoming and diverse workplace the organization paves the way for its associates to excel.
